26th May 2017

We have had a busy week this week!

Class 1 have had a 'Fun-Triton' session learning about healthy lifestyles and held their first class assembly. Class 3 have said goodbye to the chicks, and had a session with Lion Learners, reading books by David Walliams and handling some of the animals in the stories. Year 5 and 6 have spent a morning with Jackie and Peter, learning about making good choices. Class 2 have been to Flag Fen. We also all took part in the one minute silence, to reflect on the situation in Manchester.

Things are just as busy when we return after half term! Class 3 are off on their trip and Class 2 have their story café. Hopefully when we return after the holiday our phones will be working again, I will endeavour to keep Facebook and the website up to date.

Have a lovely half term. See you all on the 5th June.

Stickers This Week

Well done to the following children who each received a sticker in assembly, remember to ask them why.

Class 1—Mia, Ronnie, Charlotte, Liam, Reece and Ella.

Class 2—All of Year 2, you were amazing during SATs.

Class 3 -Jamie, Mitchell, Amelia, Grace F, Emma and Ashley.

Reading Trophy

Well done to Amelia, Liam and Ryan who each received the reading trophy this week.

We have been asked to share the following information with Parent and Carers.

"I write to offer an update on policing and partnership activity taking place in Cambridgeshire and Peterborough following Monday's attack in Manchester.

The key change is that of the elevation of the national threat level to "Critical", which was determined yesterday evening by the Prime Minister

It remains that we do not have any Cambridgeshire-specific threat at this time. However, we play our part in ensuring national capacity and capability during this heightened period, balanced with sustaining day-to-day policing services effectively.

Immediately after the notification from "COBR" of a change in threat, Police and partners across the country began reviewing standing plans and made informed decisions about local deployments.

At this time in Cambridgeshire and Peterborough, we will continue to deliver the activities described yesterday, notably: Enhanced patrolling of iconic sites, locations of strategic importance and public spaces and engaging communities disproportionately affected by events to provide information and reassurance.

We have scoped and will continue to look forward in terms of events and activities to ensure the right assets in the right places to deliver agreed objectives.

We are prepared to respond quickly and cohesively locally, regionally and nationally to any changing circumstances.

As you may be aware, some areas of the country –notably London and Manchester- have seen the deployment of military staff to assist in providing armed security at locations of strategic importance that would usually be attended by armed police. By doing this, armed police officers with particular skills and training are then freed to help contribute to national level policing capacity. This is part of a menu of options that be considered when the threat level is elevated. There will not be any deployment of military assets in Cambridgeshire or Peterborough at this time.

Public messaging remains about vigilance, reporting of suspicious activities and that throughout this period we work to retain a sense of normality but elevated preparedness.

I will continue to provide updates, but extend the offer to raise any questions you may have.

Kind regards

T/Insp 338 Keren POPE Counter Terrorism and Organisational Preparedness, Property office staff, Engagements, ASB and ECINS
