

A message to Parents and Carers
From the Head Teacher
and the Chair of Governors

Welcome to Townley School and Nursery. We believe that a close partnership between home and school is vital to help children get the best from their education.

Home-School Agreements are a part of every school's partnership with parents and carers. This agreement enables all connected with our school to make a clear commitment to working together.

The Agreement makes clear what is expected of teachers, parents and carers and pupils so that children will be able to work hard and be successful at school. We hope it will also help parents and carers take an active part in their children's education.

We are determined to give all pupils every chance to do well.
