## Computing Achievement

Well done to Theo, Frankee, Sophie, Dagan, Elliot, Olivia L and Manos who have all achieved the Silver Award in ACE (Accreditation of Competency in E-Safety). This is a brilliant achievement and we hope they continue to be good role models for E-Safety in school and at home.

## Reading Trophy

Well done to Ashley, Katie, Ryan and Grace F who each received the reading trophy this week.

### **Lost Property**

We have a missing jumper in a size 26, can you check jumpers over the weekend to see if your child has come in it by accident?

### **Head lice**

Please check your child's hair over the weekend, we have had reported cases of head lice in every class this week. Long hair would be better tied back.

### **Invacuation Procedure**

Many of you will be aware of fire drills, but did you know that we also carry out 'invacuation'? An 'invacuation' is where we bring the children inside to point of safety in a similar way to evacuating in the event of a fire drill. We practiced our procedures for the first time this week telling the children there was a dog on the loose on the field and the children were brilliantly behaved and were all inside and accounted for in under two minutes!

### **Class 3**

Please remember that the children need to be in school early on Tuesday, wearing their school uniform, for our trip to Downham Market Academy. They will need a packed lunch including a drink.

### **Parents Evening**

The booking system for parents evening in October seemed to be really popular and worked effectively therefore this term we will do the same thing! At the end of the day on Monday 13th March we will put a list up for each class, including Pre-School, on their doors. You will need to sign up for your own time to see each teacher as necessary. If your child comes in by taxi Miss Chisholm will call you Monday morning to enable you to book your time. If you have any difficulties with this please don't hesitate to contact us.
