Sumdog

Townley's July Challenge begins at 8am tomorrow and finishes at 20.30 on 19th July. It would be amazing if every child took part.

Sumdog is a fun way to learn and reinforce maths and English skills. We pay for every child in the school to have home access to this as we feel Sumdog adds to their learning opportunities. We hope that you value this home learning opportunity and will encourage your child to spend a few minutes everyday playing on it. If you have any difficulties accessing Sumdog at home please come and see me and I will try to assist you. If you do not have internet access we can arrange for your child to log in at school if you wish.
