Headteacher: Mrs Maria-Anne Higgins

18th November 2016

Children in Need

Thank you for helping us support Children in Need. We will let you know how much was raised next week once all the money has been counted.

Coats

Please ensure that your child has a coat in school everyday. It can get quite cold at break time.

Wellington Boots

Please ensure that your child has a pair of boots in school everyday. They need them when they are learning outside.

Lasagne Challenge

Well done to the winning team for their excellent cooking skills! Mrs Beers was especially impressed with Dagan who earned the chef's hat!

We need your help

The cluster of schools is arranging for a careers day for children in years 6 and 7 on 15th March 2017. A number of the employers they have used in the past have pulled out, would your place of work be interested in being involved on the day? If so please see Mrs Higgins for further details.

Reading Trophy

Well done to Tony, William and Leo who each received a reading trophy this week!

Take 10

We are considering changing the time/day of Take 10. There is a link on Facebook to an online survey which we would be grateful if you could complete. If you are unable to get online we would just like you to let us know if you would prefer Take 10 to be on a different day or time from January. Please speak to Mrs Ford jot us a note.

Sickness and Diarrhoea

The Health Protection Agency rules state that if a child or adult has sickness or diarrhoea they must not return to school for 48 hours from the last episode of sickness or diarrhoea, this is to stop the spread of infection.

School Closure

In the event of extreme weather we will try our hardest to keep the school and pre-school open. If it is necessary to close we will use the school website and our Facebook page in the first instance to let you know.
