Parenting Top Tip

Christmas can be a challenging time for families. Before dealing with the parenting difficulties that come along, don't forget to check in with how you are feeling yourself. If you are not feeling great, you will not be able to deliver your best in the way you respond to your children. Plan in time for self-care. This will not only benefit you but your whole family too.

Activity Idea

Here is a brilliant idea for a Christmas decoration that would look great on any Christmas tree!

Equipment needed –

- A pack of assorted stripy/coloured straws
- Decorations
- Glue

- 1 - Using scissors, cut a length of straw to create the bottom layer of the tree.
- 2 - Choose another colour and cut different lengths going up the tree, shortening them each time.
- 3 Use 2 straws to create the trunk or a lolly stick. Stick the different lengths of straws onto the trunk using glue starting from the bottom.
- 4 -At the top, stick a star to finish the effect!
- 5 -Use some string to create a loop to hang on the tree.
